CORRESPONDENCE

- Lyle F. Albright 3274 Comments on "Alkylation of Isobutane by Ethylene: A Thermodynamic Study"
- D. Cornet* and J. M. Goupil 3277 Response to Comments on "Alkylation of Isobutane by Ethylene: A Thermodynamic Study"

3278 Author Index to Volume 33, 1994

■ Supplementary material for this paper is available separately (consult the masthead page for ordering information); all supplementary material except structure factor tables will also appear following the paper in the microfilm edition of this journal.

* In papers with more than one author, the asterisk indicates the name of the author to whom inquiries about the paper should be addressed.

ANNOUNCEMENT

At the end of this issue you will find reproduced the table of contents of the November/December issue of *Energy & Fuels*.
