Does your library have The Right Stuff?

A recent study confirms that a significant number of aerospace engineers, managers, and academics rely on their libraries for access to the AIAA periodicals. Take a moment to check your holdings and make sure your library can satisfy patron demand.

AIAA periodicals are abstracted or indexed in *Aerospace Database*, *International Aerospace Abstracts (IAA)*, *Applied Mechanics Reviews*, *Applied Science and Technology Index*, *BMT Abstracts*, *Bibliographic Index*, *Chemical Abstracts*, *Current Contents*, *Engineering Index*, *Excerpta Medica*, *Fluidex*, *Geographical Abstracts*, *Materials Science Citation Index*, *Mathematical Reviews*, *Physics Abstracts*, *Science Abstracts*, *Science Citation Index*, *ASCA*, and *SCISEARCH*.

The AIAA journals consistently rank in the top 10 aerospace journals measured by impact factor. *Aerospace America*.
