## NEWS REPORT

### Building Materials

Almost 110 different types of chemicals are sold to the UK building industry to prepare, and repair, concrete; waterproof roofs; and treat timber, for example. Ferry Biedermann describes a market that is 'ripe for specifier and user confusion.'

267

## LAW FILE

### Worker Participation Post 1992

Greville Janner, QC, MP, looks at how the European Commission's new workplace health and safety directives may affect the chemical industry.

270

## CENTENARY MEDAL ADDRESS

### The Problems of Management

Courtauld's chairman Sir Christopher Hogg discusses his company's management problems of the 1960s and the special difficulties faced by managers in the chemical industry today.

272

## COMPETITION POLICY

### Competition Law - the Way Ahead

David Busby, chairman of the CEFIC Competition Working Party, examines the significant effect that forthcoming changes in this 'unfashionable' area of law will have on the UK and European chemical industry.

276

## ENVIRONMENT

### Developing Responsible Care

In March the Chemical Industries Association launched a programme aimed at improving the UK chemical industry's health, safety and environmental performance. Pauline Morrow describes its development.

279

## FOOD FACTS USA

C&I's correspondent considers current debates in the USA on - Food safety... Listeriosis... Low-cal foods... The dangers of Comfrey.

281

## COMMUNICATIONS TO THE EDITOR

A simple procedure for the oxidation of thiols to disulphides.

Rahat H Khan and Ramesh C Rastogi
