Newstrade Distributed by Marketforce (UK) Ltd

Flight International is a weekly news magazine for professionals working in all sectors of the aerospace industry worldwide, serving all branches of airframe systems, support equipment and component manufacture and all sectors of operation, including air transport, general aviation, defence, spaceflight and regulatory and other authorities.

ISSN 0015-3710

Flight International test-flies Bombardier's Dash 8 Q400 – a turboprop designed to compete with jets in the low noise stakes.
