

RÉÉDUCATION VÉSICO- SPHINCTÉRIENNE ET ANO-RECTALE

sous la direction de

J. PÉLISSIER P. COSTA
S. LOPEZ P. MARÈS

MASSON

CONTENTS

PREFACE	V
1. PHYSIOLOGY AND EXPLORATIONS OF THE URINARY LOWER TRACT	
<i>Physiology of continence and micturition</i> , by J. M. BUZELIN, J. J. LABAT	1
<i>Urodynamic testing of the lower urinary tract</i> , by R. J. OPSOMER, F. X. WESE, P. J. VAN CANGH	9
<i>Inhibitory extramural urodynamic system: procedure and diagnostic results</i> , by E. BLADOU, D. ROUEL, G. SERMET	18
NEUROPHYSIOLOGICAL EXPLORATION	
<i>A. The various electrophysiologic tests of the perineal area and their indications in bladder disorders</i> , by D. PRAT-PRADAL	25
<i>B. Electrophysiological evaluation of sensitive and vegetative pathways in vesico-sphincterian, ano-rectal and genito-sexual disorders</i>	31
PERINEAL ULTRASONOGRAPHY	
<i>A. Ultrasonography in female urinary incontinence</i> , by J. BECO	42
<i>B. Ultrasonographic measure of post-micturial retention</i> , by K. BEN-NAOUM, P. COSTA, N. MOTTET, F. M. LOPEZ	52
<i>Radiological evaluation of woman urinary incontinence</i> , par J. JURAS	56
<i>M.R.I. of the pelvic and perineal structures</i> , by F. M. LOPEZ, P. DE GUILHERMIER, D. PRAT-PRADAL, S. LOPEZ, P. MARÈS, P. COSTA	64
2. CURATIVE TECHNIQUES OF MICTURITIONAL DISORDERS	
<i>Clean intermittent catheterization in paraplegic patient</i> , by B. PERROUIN-VERBE, A. TULOUP, J. J. LABAT, J. F. MATHE, J. M. BUZELIN	81
<i>Percutaneous cystectomy</i> , par N. MOTTET, P. COSTA, H. NAVRATIL	90
<i>Electrostimulation techniques in bladder-sphincter rehabilitation</i> , by J. SENGLER, D. GROSSE	103
<i>Chromic and minimal energy in stimulation: influence of vaginal tissue electrical properties</i> , by M. MALISSARD, J. SOUQUET, G. MELLIER, J. P. GALLAUP	108
<i>Blindback in urology. Indications. Results. Perspectives</i> , by J. CONTE, A. BARDOT	117
<i>Aides for incontinent patients</i> , by, E. J. J. BÉRARD, G. SERMET, G. LEBLAY	122
3. MICTURITIONAL DISORDERS IN NEUROLOGICAL PRACTICE	
<i>Medical instability</i> , par C. ROBAIN, P. PRADAT-DIEHL, M. PERRIGOT	137
<i>Vesico-sphincterian dyssynergia</i> , by, P. COSTA, N. MOTTET, K. BENAOUUM, J. PELISSIER, J. J. LABAT	142

<i>Micturial disorders of the paraplegic patients. Their rehabilitation program</i> , by M. DAUPHIN, P. COSTA, F. OHANNA, J. MARTINAZZO, G. MARTINAZZO, D. GRASSET	149
<i>Micturitional disorders in the tetraplegic adult patient</i> , by M. BOUFFARD-VERCELL, J. M. SOLER, M. PERRIGOT	157
<i>Micturial disorders of the stroke patient</i> , by J. PELISSIER, P. COSTA, M. PERRIGOT with the collaboration of N. MOTTET, M. TOULEMONDE, Ph. CODINE	166
<i>Micturitional disorders in multiple sclerosis</i> , by J. F. MATHÉ, J. J. LABAT, B. PERROUIN-VERBE, I. RICHARD	174
<i>Vesical disturbances in Parkinson's disease</i> , by B. ARANDA	181
<i>Micturitional disorders of the cauda equina syndrome and of the conus medullaris syndrome</i> , by B. PERROUIN-VERBE, J. J. LABAT, J. F. MATHE, J. M. BUZELIN	186
<i>Prognosis of neurological bladder dysfunction</i> , by J. J. LABAT, P. COSTA, B. PERROUIN-VERBE, J. F. MATHÉ	193
<i>Anterior sacral stimulation to treat neurological micturial disorders</i> (G. S. Brindley's technique), by M. BARAT, G. EGON, P. DAVERAT, P. COLOMBEL, J. GUÉRIN, M. RITZ, E. MARIT, M. HERLANT	208
<i>Anterior sacral stimulation and paraplegia: technical survey, evolution and criteria</i> , by F. OHANNA, P. COSTA, F. SEGARNBIEUX, Ph. FREREBEAU, C. GROS	216
<i>Micturition and intrathecal baclofen with continuous infusion by implanted pump</i> , by F. OHANNA, P. COSTA, F. SEGARNBIEUX, P. PIN, P. FREREBEAU, C. GROS	225
<i>Artificial urinary sphincter and neurological vesico-sphincterian disorders</i> , by P. COSTA, N. MOTTET, B. BALI, K. BEN-NAOUM, F. OHANNA	232

4. WOMAN URINARY INCONTINENCE

<i>Indications of the perineo-sphincterian reeducation</i> , by S. LOPEZ, P. COSTA, P. MARÈS	239
--	-----

MID AND LONG-TERM RESULTS OF PHYSIOTHERAPY AND NON-SURGICAL TREATMENT

A. <i>Long term results of female urinary incontinence training. Search for predictive value factors</i> , by R. BRISSOT, P. GALLIEN, O. BOURDET, M. P. LE BORGNE, J. Y. GRALL, B. LOBEL	245
B. <i>Vesico-sphincterian reeducation. Long term follow-up evaluated with questionnaire</i> , by J. SENGLER, D. GROSSE	250
C. <i>Mid-term results of rehabilitation of urinary incontinence in women. Initial predictive factors</i> , by P. DUDOGNON, J. Y. SALLE, M. RABILLER, M. MUNOZ, E. MILOR, M. BOURU, C. LABROUSSE	256
D. <i>Long term results of rehabilitation of woman urinary incontinence</i> , by S. LOPEZ, I. TINTRELIN-JACQUEZ, A. BRETON, J. P. DAURES, P. PERAY, J. PÉLISSIER	262
<i>Perineal reeducation and urethral instability</i> , by P. GALLIEN, N. HEBERT, O. BOURDET, H. MÉNARD, J. Y. GRALL, R. BRISSOT	270

SURGICAL PROCEDURES AND RESULTS

A. <i>Urological surgery for woman urinary incontinence</i> , by N. MOTTET, P. COSTA, H. NAVRATIL	275
B. <i>Surgery of urinary incontinence: principles, indications and results of the abdominal procedures</i> , by A. PIGNE	293
C. <i>Treatment of feminine stress incontinence by the abdominale and vaginal procedure</i> , by P. L. GIACALONE, F. LAFFARGUE	296
D. <i>Vaginal route and surgery of woman urinary incontinence: principles, indications, and results</i> , by B. JACQUETIN, A. MANSOOR, M. OHANA	302
<i>Preventing urinary disorders in women after delivery</i> , by G. LOMBART, P. COSTA, P. MARÈS, J. L. VIALA, F. LAFFARGUE, B. HEDON, P. BOULOT	311
<i>Sexuality after delivery and rehabilitation medicine</i> , by J. L. VIALA	314
<i>Perineal stretch neuropathy: value of perineo-sphincterian reeducation</i> , by G. AMARENCO, I. KERDRAON, M. PERRIGOT	316
<i>Psychologic impacts of urinary incontinence</i> , by O. COTELLE-BERNEDE	321

5. SOME SPECIFIC URINARY INCONTINENCES

CHILDHOOD

<i>Enuresis and bladder instability in child hood</i> , by M. AVEROUS.....	329
<i>Micturition disorders in paraplegic child</i> , by J. MOSCOVICI.....	338
<i>Micturitional disorders and perinatal brain lesions</i> , by Ph. LACERT.....	343
<i>Bladder dysfunction in myelomeningocele</i> , by J. J. LABAT, J. M. ROGEZ, D. MENEGALLI-BOGELLI, A. DAVID, G. DE KORVAIN, J. M. BUZELIN.....	347
<i>Anorectal neurogenic disorders in child. Therapeutic prospects</i> , by J. MOSCOVICI.....	355
<i>Management of fecal and urinary incontinence secondary to intrinsic congenital anomalies of the anorectal tract and low urinary system</i> , by R. B. GALIFER, D. AUBERT.....	359

ELDERLY PEOPLE

<i>Technical care of the micturitional disorders in the elderly</i> , by M. F. MAUGOURD-BIZIEN, M. C. DELESALLE, A. BADIALI, C. CAPPELLETTI.....	366
<i>Perineo-sphincterian reeducation of urinary incontinence in elderly. Short and mid-term results</i> , by J. B. PIERA, F. ROMAN, A. ABRAHAMIC, Y. COULOMB, G. ROBAIN, I. CHARLES.....	376

THE MAN

<i>Urinary incontinence following radical prostatectomy for carcinoma of the prostate: frequency, causes and treatment</i> , by H. GABRIEL, D. ROSSI, F. BLADOU, G. SERMENT.....	383
<i>Preoperative and postoperative reeducation in radical prostatectomies for cancer of the prostate</i> , by P. BRUNEL, D. CHAUTARD, O. FRANÇOIS, J. Y. SORET.....	388
<i>Miction reeducation after bladder plasty for cancer</i> , by P. BRUNEL, D. CHAUTARD, J. Y. SORET.....	395
<i>The flaccid urinary bladder: description and urodynamical aspects</i> , by P. MEUNIER.....	402

6. FECAL INCONTINENCE AND OUTLET OBSTRUCTION, TECHNIQUES, INDICATIONS AND RESULTS

<i>Anatomic and physiologic conditions of the defecation</i> , by M. VEYRAC, J. C. ROCHON, A. HALIMI, H. MICHEL.....	409
<i>Defecography. Investigation in anorectal disorders</i> , by D. RIBARD, J. M. FABREGUETTES, J. BARKI, P. POUDEIROUX, J. L. BALMES.....	416
<i>Anorectal manometry: a new tool for diagnosis and treatment of anorectal disorders</i> , by M. VEYRAC, G. PARELON, A. HALIMI, J. C. ROCHON, H. MICHEL.....	425
<i>Constipation by outlet obstructive</i> , by J. WEBER, A. M. LEROI, F. BEURET-BLANQUART, P. DENIS.....	432
<i>Methods of physiotherapy for defecation disorders</i> , by F. BEURET-BLANQUART, J. WEBER, C. FATTAL, P. DENIS.....	439

SURGERY OF THE ANO-RECTAL DISORDERS

<i>A. Surgery of the anorectal disorders by upper ways: principles, indications and short, medium and long term results</i> , by F. MICHOT.....	445
<i>B. Surgical treatment of ano-rectal troubles using perineal approach. Short and long term results</i> , by G. COSTALAT.....	452
<i>C. Surgical treatment of anorectal troubles using perineal approach: principles, indications, short and long term results</i> , by F. LAZORTHES.....	457
<i>Constipation and intestinal transit in hemiplegic patients</i> , by G. DHOMS, V. BRUN, P. CODINE, H. FOUNAU, M. TERRAZA.....	460
<i>Colonic transit and defecation in patients with chronic spinal cord injury</i> , by F. BEURET-BLANQUART, J. WEBER, C. FATTAL, P. DENIS.....	471

7. ECONOMICAL ASPECTS. REHABILITATION

<i>Economic impacts of urinary incontinence</i> , by J. PÉLISSIER, J. M. FAURE-BRAC	477
<i>Pelvic handicap</i> , by P. MINAIRE, E. SABOT, E. RIVOLLIER	487
<i>Pelvic handicap and activities of daily living</i> , by S. LOPEZ, I. TINTRELIN-JACQUEZ, J. PELISSIER	493
<i>Urinary handicap measure (UHM): a new scale for pelvic evaluation</i> , by G. AMARENCO, J. KERDRAON, M. PERRIGOT	498
