POPULATION STUDIES NOW AVAILABLE ONLINE

From this issue onwards, subscribers will have access to an online version of every issue of the Journal going back to March 2000.

The online version is provided by Routledge Journals, who will publish both printed and online versions of the Journal from 2003 on behalf of the Population Investigation Committee.

Other online services now available free of charge to all readers, whether or not they are subscribers, include a collaborative reference linking service and advance notification by email of the contents of every issue. For further information, see Page 235. To access the online version or use the other services mentioned, please visit the following website:
