What career options?

14 UK scientific recruitment company, SRG, has many years experience working in the sector and offers an insight into the career options available to chemistry graduates. Communications manager **Emma Mills** discusses consultancy, law, safety & protection, forensics, art conservation, teaching and contracts vs temping.

Graduate recruitment

16 **Mark Whitfield** reports on the success of London's graduate recruitment fair, and why students are so focused despite the realm of choices.

Recruitment consulting

20 What is the role of the recruitment consultant in the chemicals industry today? **Stephen Mothersole**, managing director of Chemical Search International — consultants in global chemicals recruitment — reveals how the two main services work: headhunting and databases.
