If you don't have access to the Internet you can register for this service by sending an e-mail message to csubsub@elsevier.co.uk - specifying the title of the publication you wish to register for.

MICROPROCESSORS AND MICROSYSTEMS

In this Issue

- Hough transform
- Processor farm
- FPGA-base PCI
- DGT
- Design of an Internet Telephony Gateway
- Shared-bus symmetric multiprocessors
- Digital signal processor based earmuff
