# CONTENTS

## 1. ROTATOR CUFF AND ACTIVE ABDUCTION

Movements of rolling - sliding and external rotation take place in the kinematics of the gleno-humeral joint during elevation, by P. BOILEAU and G. WALCH .....	1
3 D shoulder motion analysis in rotator cuff tears, by J.L. LEROUX and J.P. MICALLEF .....	8
Impingements of the shoulder : the coracoacromial and the subcoracoid impingement, by J. PELISSIER, D. PRAT-PRADAL and G. ASENCIO .....	17
Pathology of the rotator cuff degeneration, by B. LE BAIL and M. MANSAT .....	25

## 2. CLINICAL EVALUATION

Clinical evaluation of rotator cuff lesions, by J. RODINEAU .....	31
Clinical assessment of the rotator cuff, by B. BOUSSAGOL, J. PELISSIER, J.L. JULLY, Ch. HERISSON and L. SIMON .....	38
Shoulder handicap : assessment and consequences on daily living, by Ph. DUPONT, J.M. COUDREUSE and Ch. GRATIAN .....	47

## 3. ROTATOR CUFF IMAGING

X-Ray examination and Leclercq's test, by D. BLIN, S. GHANEM and F.-M. LOPEZ .....	53
The diagnostic value of plain radiographs in rotator cuff tears, by P. GOUPILLE, C. ANGER, P. COTTY, B. FOUQUET, D. SOUTIF and J.-P. VALAT .....	59
Single contrast arthrography and pneumo-arthrography, by J. BERNAGEAU .....	63
Ultrasonography of the rotator cuff, by S. GHANEM, F. FAYAD, F. FLAISLER, D. BLIN, J. PELISSIER and F.-M. LOPEZ .....	69
Impingement syndrome and shoulder degeneration : CT Scan and CT Arthrography, by P. LOPEZ .....	78
MR Imaging and Rotator cuff lesions, by B. ROGER, J.L. BRASSEUR, O. RICHARD and Ph. GRENIER .....	87
Ultrasonography and MR Imaging of the rotator cuff : surgical correlations, by D. BLIN, F. FAYAD, S. LOPEZ, G. ASENCIO, J. PELISSIER and F.M. LOPEZ .....	96
Adipose degeneration of the muscles after rotator cuff tears : CT scan assessment and surgical repair, by D. GOUTALLIER, J.M. POSTEL and J. BERNAGEAU .....	104
Examination of the rotator cuff tears, by J. BERNAGEAU .....	107

## 4. CALCIFICATIONS AND CALCIFYING TENDINITIS

Calcifying tendinitis, by S. POIRAUDEAU, B. ROUSSELIN, C. VALLÉE, A. CHEVROT and, M. REVEL .....	115
Puncture-Fragmentation-Irrigation of tendinous calcifications of shoulder : prospective study of 40 cases, by J. NIZARD, Y. MAUGARS, F. HORREARD, A. CASTAGNE and A. PROST .....	120
Rotator cuff calcifying tendinitis : value of arthroscopy, by Th. BOYER .....	126

## 5. MISCELLANEOUS ROTATOR CUFF LESIONS

Rotator cuff injury, by G. ASENCIO, R. BERTIN, B. MEGY, J.-Y. CAMOUS, E. FOUQUE and C. LEONARDI .....	131
Impingement syndrome associated with os acromiale. Report of 12 cases, by M.H. ELLEUCH, S. BAKLOUTI, H. FOURATI, J. MNIF and S. SELLAMI .....	135
Pathology of the cuff in rheumatoid arthritis, by B. COMBE, F. FLAISLER, D. BLIN, J.C. BERNARD and F.M. LOPEZ .....	139
Rotator cuff diseases in haemodialysis patients, by T. BARDIN, J. BERNAGEAU, D. GOUTALLIER, M.C. VOISIN and D. KUNTZ .....	144

Rotator cuff tear during quinolone treatment, by I. TONOLLI-SERABIAN, J.P. MATTEI, J.L. POET, M. TRIVES and H. ROUX .....	147
Cuff tear arthropathy in elderly people, by B. FOURNIÉ, Th. COLL, J.J. RAILHAC and A. FOURNIÉ .....	150
Rotator Cuff Degeneration and paraplegia, by O. DIZIEN, A. YELNIK, J.-P. DEVAILLY, I. MONTEIL, H. DOUCERON, S. ECK MICHAUD and, B. BUSSEL .....	153
The association of rotator cuff degenerative changes and supra scapular nerve entrapment syndrome, by M. CHAMMAS, J.P. CAILLENS and Y. ALLIEU .....	157

## 6. THE ROTATOR INTERVAL AND THE LONG HEAD OF THE BICEPS BRACHIALIS

The rotator interval : its pathology and clinical symptoms, by T. SCHAEVERBEKE, J.C. LE HUEC, M. MOINARD, L. BRUNIQUÉL, P. LASSALLE and J. DEHAIS .....	161
Subscapularis lesions and massive rotator cuff tears, by J.L. JULY and J. PARIER .....	165
Pathology of the tendon of the long head of the biceps brachii, by J. LECOCQ, Ph. VAUTRAVERS, M. FREY, J.F. KEMPF and J.C. DOSCH .....	169

## 7. REHABILITATION PROGRAM OF THE NON-OPERATED ROTATOR CUFF

Rehabilitation of non ruptured rotator cuff, by M. PEYRE, A. PELLETIER and J. RODINEAU ...	179
Principles of rehabilitation in torn rotator cuffs, by M. REVEL and M.A. MAYOUX-BENHAMOU	185
The neuromuscular reprogramming of non operative rotator cuff injuries, by B. HOUSSINBRISSEY, M. LE GOUIL, J.C. HENAFF and J.P. COCHET .....	189
Isokinetic evaluation of shoulder rotational strength in various positions, by J.L. CROISIER, R. MOMMER, C. LHERMEROUT and J.M. CRIELAARD .....	193
Isokinetic assessment of shoulder rotational strength. Interest in the evaluation and rehabilitation of impingement syndrome, by Ph. CODINE, M. POCOLLE, J.L. LEROUX, D. MAILHÉ and H. FOUNAU .....	199
Special problems in the rehabilitation program of the rotator cuff tears in sportsmen, by F. SABOURIN .....	206

## 8. ARTHROSCOPY AND SURGERY

Anesthesia for rotator cuff surgery of the shoulder, by J.J. ELEDJAM, E. VIEL, B. BASSOUL and J. TEISSIER .....	209
Diagnosis and treatment of rotator cuff lesions : arthroscopy value, by D. MOLÉ and B. RIO	216
Impingement syndrome and arthroscopic sub-acromial decompression. A retrospective review of 100 consecutive cases, by D. MAILHE .....	221
Diagnostic and therapeutic value of arthroscopy for subcoracoïd impingement syndromes, by C. GUILLON, B. TBOUL and R. GHOZLAN .....	227
Acromioplasty for coraco-acromial impingement : indications, techniques and results, by J. TEISSIER, Th. GAUDIN and Th. MARC .....	231
The acromioplasties : do they give long-lasting results ? by C. KENESI and W. GRAFF .....	237
Treatment of massive tears of the rotator cuff, by D. GOUTALLIER, J.M. POSTEL, L. LAVAU and S. VERLIAC .....	245
Surgical repair of the wide tear of the rotator cuff using the deltoid flap, by B. AUGEREAU, E. VANDENBUSSCHE and J.F. NAOURI .....	250
Repair of big ruptures of the rotator cuff using the transfer of a deltoid muscular flap (28 cases), by D. SARAGAGLIA, A. CAMBUZAT, J.M. LEROY, Y. TOURNE, I. MARDINI and M. ABU AL ZAHAB .....	258
Deltoid muscular flap transfer for treatment of massive rotator cuff tears, by J.C. LE HUEC, T. SCHAEVERBEKE, M. MOINARD, M. KIND, J. DEHAIS and A. LE REBELLER .....	264
Functional recovery after surgical repair of the rotator cuff in a series of 100 cases, by D.F. GAZIELLY, B. PRALLET, G. BRUYÈRE, B. PASQUIER and J. VERNEY-CARRON .....	268
Long-term results of surgical repair in rotator cuff tears : 108 cases, by Y. BELLUMORE, M. MANSAT, J. ASSOUN and M. PUJOL .....	276
Special problems of the anterior and superior rotator cuff tears with predominant lesion of the subscapularis, about 25 cases, by C. NEROT and J.L. JULY .....	287
Rotator cuff repair with prosthetic tendon, by J. TEISSIER, Th. GAUDIN and Th. MARC .....	295

**9. REHABILITATION PROGRAM AFTER SURGERY OF THE ROTATOR CUFF**

The thoraco-brachial device : technique and indications, by S. LOPEZ, F. FAURE, J. PÉLISSIER and G. ASENCIO . . . . .	301
Neuro-Muscular Electrical Stimulation : its place in the rehabilitation program after shoulder surgery, by J.L. MEIER and K. KERKOUR . . . . .	306
Rehabilitation program after acromioplasty, by J.L. JULLY, J.C. SCHEFFER, J. AUVITY and M. MEZZANA . . . . .	312
Rehabilitation program after surgical repair of the rotator cuff tear, by J.L. JULLY . . . . .	316
Rehabilitation after rotator cuff prosthetic repair, by M.N. THAURY, C. CAUQUIL, F. STER, T. MARC, T. GAUDIN and J. TEISSIER . . . . .	322

**10. ROTATOR CUFF OSTEOARTHRITIS**

Conservative surgery of gleno-humeral osteoarthritis : la grande libération antérieure, by J.C. SCHEFFER, J.L. JULLY and M. MEZZANA . . . . .	327
Inversed shoulder arthroplasty (Grammont's arthroplasty) in massive rotator cuff tears, by P.M. GRAMMONT and E. BAULOT . . . . .	331
Rehabilitation program after shoulder arthroplasty for rotator cuff arthritis, by P. SEYNAEVE, S. EHRLER, S. BERTIN, J.F. KEMPF and M. JESEL . . . . .	336
