© This is a collective work. In accordance with Intellectual Property Law "collective works" are NOT necessarily those produced by more than one author. They have been created by the initiative and coordination of one person who edits and distributes them under his/her name. A collective work constitutes a collection of contributions from different authors whose personal contributions form part of a creation, without it being possible to separately attribute rights over the work as a whole.

© All rights reserved. No part of this book may be used or reproduced in any manner whatsoever without written permission except in the case of brief quotations embodied in critical articles and reviews.
